SUBJECT: V-14 518

1. At a 14 November 1955 meeting with @RAHNE, he mentioned to me that Dst 2 has a man working full time on the CE aspects of returnees from the Soviet Union through Vienna. The job of this person is to determine whether they have been in contact with the SRIS, whether they have been recruited against the West, and to collect general information on the SRIS and Satellite services. We have no record of this V-Number from the Master List.

2. In checking July and August 1955 finance vouchers of Dst 2, V-14 518 turned up as an interrogator.

3. On 25 January 1956 @RAHNE told me that V-14 518 is closely associated with the SANITZER Case and is doing most of the work on it for Dst 2. I shall try and find occasion to find out his identity.
